

DESCRIPTION OF JUVENILE ASSESSMENT

PURPOSE:

This document is given to parents/caregivers by the Children's Service Worker (CSW) conducting the Juvenile Assessment at the time of the initial contact. The CSW should explain to the family the information contained in the form at the time it is provided. The form describes the assessment process and informs the parent/caregiver(s) that an assessment must be completed.

NUMBER OF COPIES AND DISTRIBUTION:

The CS-24c shall be given to the parent/caregiver(s) in person at the time of the first contact. An explanation of the assessment process shall be provided at that time. The form may also be given to other persons contacted during the assessment to inform them of the process. The CSW shall document in the case contacts the date the CS-24c is provided and to whom it is given.
