## NOTES

- Unless noted elsewhere, all data contained in this report is based on payments made during the report month, usually for care provided the previous month.
- Payment data provided is for informational purposes only and is not meant to provide an auditable account of expenditures.
- Observe caution in the use of percentages when the base for computations is small, especially if observations total less than 100.

\* Age reflects the age of the child when the care was provided, and not when payment was made. A child could be counted in more than one age group if payments were made for multiple service months during the report month.

\*\* A child is counted in each facility type where care was provided.

\*\*\* A child is counted in each facility type and age category at the time of service.
